

## ELEMENTARY TEACHING CERTIFICATE

The elementary teaching certificate is valid for service in grades one through six in the public schools of Rhode Island and where grades seven and eight are organized on the elementary school plan.

### I. **Certificate of Eligibility for Employment (CEE)** – valid for three (3) years.

The initial certificate in Rhode Island for all areas of certification is a CEE. The CEE is used to seek regular employment in the public schools of Rhode Island for the field identified on the CEE. The CEE is also valid for service as a substitute teacher. If regular employment is not secured in the three (3) year period, the CEE can be renewed every three (3) years until regular employment is secured. To be issued a CEE in elementary education an individual needs to satisfy all of the following:

- A. Bachelor's Degree from an accredited or an approved institution of higher education as defined in these regulations.
- B. Graduate of an approved program for the preparation of elementary school teachers within the previous five (5) years from the date of application. Applicants who have not completed an approved program can be certified by transcript analysis by presenting evidence of six (6) semester hours of student teaching in the elementary grades and not less than twenty-four semester hours of course work to include work in each of the following areas; Child Growth and Development, Methods and Materials of Teaching Math, Science, Social Studies, Reading, Language Arts in the Elementary Schools, The Arts, Identification and Service to Special Needs Children, and Foundations of Education. The student teaching requirement may be waived for an applicant who has had two or more documented years of successful teaching experience in an approved elementary setting. Certified teachers who have had two or more years of teaching experience and who seek elementary certification may fulfill the student teaching requirement by completing a one-year supervised internship at the elementary level. After completing the necessary course work for the elementary certificate, and arranging through the local community for a one-year internship, the Superintendent of Schools may request the issuance of a one-year professional certificate. The Department of Education must approve the internship in advance and the supervisor must have at least 3 years of teaching experience. Upon successful completion of the internship, the individual will be issued a one year professional transitional certificate.
- C. Applicants who have not been previously certified in the State of Rhode Island must achieve a score of 145 on the Elementary Content Knowledge Test and 148 on the Elementary Content Area Exercises Test.

### II. **Professional Transitional Certificate** – valid for one (1) year.

- A. The professional transitional certificate is issued to individuals who secure regular employment in the public schools of Rhode Island. Upon securing regular employment in Rhode Island, the CEE is used to request a one year professional transitional certificate. When applying for a one year

professional transitional certificate the applicant must submit the CEE along with documentation from the employing authority that regular employment has been secured in the certification area of the CEE.

- B.** The one year professional transitional certificate may be renewed with the submission of a completed application and payment of the renewal fee.

Applicable to certificates expiring after August 31, 2010.
